WELCOME

At our Sparkling Wellness facilities, 4'000 years of healing arts dating back to the ancient kingdoms of Tibet are melded with traditional methods that have their origins in our region.

All of our exclusive products combine premium natural compounds with contemporary, ultra-modern high tech ingredients.

We are passionate about surprising you with customized treatments and athletic programs as well as our latest wellness highlights. Offering six private SPA cottages, Park Hotel Weggis set a new trend in the SPA segment many years ago. We will of course remain true to this philosophy and will continue to bet on unique and exclusive approaches in the future. You will always enjoy complete protection of your privacy. We guarantee you an unforgettable stay perfected by our professional staff and warm hospitality.

Our therapists hail from Tibet, Switzerland and its neighboring countries. All are highly trained and have developed a true sense of community fueled by their passion for their occupations, commitment to your wellbeing and dedication to Park Hotel Weggis.

GIFT CERTIFICATES

Wouldn't it be wonderful if you could give your loved ones the gift of pampering and healthful recreation? No problem! Just tell us what you have in mind and we will create a gift certificate that accommodates your wishes... For inspiration, browse our online store at www.phw.ch or consult with a member of our Sparkling Wellness team for personalized advice.

SPARKLING POOL, LOUNGE & RELAXATION ROOM

Our covered outdoor pool spans 15 m x 6.5 m; the water level ranges from 1.20 – 1.40 m. Framed by natural black stone, the interplay of the water, light and colors is truly fascinating. The pool water is kept at consistent temperatures just a little over 30°C to ensure that you will have a comfortable bathing experience year-round. The generously appointed relaxation room is a source of tranquility. Contemplate the golden Tibetan mandala as you meditate or spend time in the hotel's Sparkling Lounge if you are ready for exhilarating relaxation.

FITNESS

Ready to exercise? The bright surroundings of our fitness studio, which offer splendid views of our delightful Japanese garden, beckon you to work out and stay or get fit. Thanks to the outstanding quality and modern design of our top-of-the-line fitness equipment made by market leaders POWER PLATE and CYBEX, cardiovascular and power training routines become rejuvenating experiences. Headphones and flat-screen TV monitors provide entertainment; so no matter how much time you spend in the fitness studio, you'll never get bored. Moreover, our personal trainers will be there to motivate you. All of these athletic activities are based on a daily schedule that is sure to get you ready for even more adventures. Hence, we provide you with complimentary bicycles, canoes and SUP paddle boards for your use.

LIBRARY AND JAPANESE GARDEN

We invite you to make reading selections from our panoramic library and to immerse yourself in an enthralling book or other reading matter. Boasting over a hundred year old Bonsai trees, the Japanese garden is the ideal place to let your creative thoughts run wild or to simply relax.

PRODUCTS AVAILABLE THROUGH MAIL ORDER

Can't stay with us any time soon? Not to worry: we offer a wide selection of favorite products that can be shipped straight to your home. Pamper yourself!

CANCELLATION POLICY

If you have made an appointment and are unable to keep it, please cancel at least 24 hours in advance. Otherwise, we will have to charge you for the services you booked.

KENZOKI

KENZOKI

KENZOKI pampers your skin with nourishing elements from the heart of plants. Plant essences, the life giving elixirs of botanicals, are perfectly compatible with human skin and contain a balanced blend of essential oils, trace elements and minerals. KENZO harvests its plant juices from four Asian plant components: the bamboo leaf, the ginger blossom, white lotus and rice. A skin care series that lifts the senses and focuses on the very essence of your wellbeing.

med beauty swiss

Med Beauty

The perfect solution for all skin types!

Are you seeking a product that will address a unique skin problem or would you like to find an optimum skin care product that is tailored to the needs of your skin? Med Beauty Swiss offers cosmetics with dermatological qualities that do not just address specific skin problems, but also provide preventative protection every day to ensure that your skin will remain healthy, youthful and radiant.

ST BARTH

LIGNE ST BARTH is a premium skin care series based on natural ingredients sourced from Caribbean plants whose healing and nourishing properties have been known to the indigenous cultures of the Caribbean – the Arawak Indians – and this wisdom has been passed down from generation to generation. Our rare elixirs will take you on a journey into the world of Caribbean fragrances. You will be immersed into Tiare - a blend of exotic blooms, delicate lily or the essence of pure Bourbon vanilla. Also available: the Homme series featuring anise, moss and fern. Enriched with our exotic oils: avocado, cocoa and Roucou.

BVLGARI

BVLGARI Red Tea

A brand new BVLGARI product that has just been launched into the world market combines the only two types of red tea in a magnificent fragrance creation for the very first time. The warm and woody scent of Rooibos, which is cultivated exclusively in South Africa, is paired with the mildly smoky, earthy aroma of Chinese Yunnan tea. Both of these tea genres contain valuable nutrients, such as vitamin C, iron and magnesium. They have hypoallergenic and skin protecting qualities. Combined with grape seed oil – also referred to as green gold – this product will make your skin feel terrific and will also treat you to the most sensual of fragrance experiences.

SPA COTTAGES

GENERAL INFORMATION

Our six private SPA cottages, each offering about 70 m² of ample floor space, are named after different gemstones, which have their very own magical significance.

RUBY – The life force and the power of love.

SODALITE – The power of muse and perception.

CHRYSOCOLLA – The power of harmony.

CALCITE – The power of clear thought.

AMETHYST – The power of spiritual alertness.

ROSE QUARTZ – The primal force of love, romance and sensitivity.

The Asia inspired architecture with its natural, high quality materials made of natural stone and exotic wood promises peace and exclusivity. In these abodes of tranquility you will be soothed by your favorite music, enjoy the delicate fragrances, experience the interplay of colors, sip on a delicious cup of tea and savor a light snack of fresh fruit. However, most importantly, you will relax completely as you are pampered by one of our treatments.

Each cottage features an invigorating power shower and refreshing crushed ice; a foot soak, waterbed, tanning bed, wide screen TV, stereo/CD/DVD player with unique surround sound; and offers the opportunity to take advantage of our treatments. The cottages can be shaded and lightly cooled in summer. In addition, our six SPA cottages feature individual saunas/tepid steam rooms or Roman steam rooms and a whirlpool or a tub for bathing.

TREATMENTS

LAKESIDE

Enjoy precious moments of wellbeing in our «Nature SPA» directly on the shores of Lake Lucerne. Surrounded by an invigorating breeze that gently floats over from the water, the scent of blossoms in full bloom and accompanied by the sound of gentle waves – there is certainly no better way to relax and enjoy our treasured skin-pampering products (appointments available only weather permitting on warm summer days).

TREATMENTS

TIBET

A Tibetan medial tradition that dates back 4'000 years!

«Ku Nye» has its roots in the oldest of Tibetan kingdoms and is one of the most authentic treatment methods attributed to Tibet.

«Ku Nye» means applying oil. It improves the mobility of joints. During the session, hot and cold treatments are applied; tissue, muscles and tendons are knead, rubbed, tapped and pressed. In addition to a massage with traditionally manufactured oils, the treatment also consists of the use of herb bags «Hor Me», a staff, sticks, river rocks and sea shells to apply pressure to various part of the body or the acupuncture points.
